Rationale for Proposed Boundary Changes: South Capitol Street on the east, 695 to the north and the river to the south serve as the boundaries of the proposed Van Ness's attendance zone.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundary for Van Ness ES is zoned for and has rights to attend Jefferson MS and Eastern HS. Van Ness is scheduled to open in SY15-16. Grades configuration for opening is not yet determined. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
